

Jay H. Sanders, M.D.
CEO of The Global Telemedicine Group

Jay H. Sanders, M.D., is the CEO of The Global Telemedicine Group, Professor of Medicine (Adjunct) at Johns Hopkins School of Medicine and a Founding Board Member and President Emeritus of the American Telemedicine Association. Known to many as the "Father of Telemedicine", he developed the first statewide telemedicine system in the USA, the first Correctional telemedicine program, as well as the first Telehomecare technology called "The Electronic House Call". His consulting activities have included NASA, DOD, HHS, the FCC, State Governments, WHO, and multiple academic institutions and Fortune 500 companies. During the Clinton Administration he represented the USA to the G8 nations for telemedicine. He is a graduate of Harvard Medical School, magna cum laude, was a member of AOA, and did his residency training at the Massachusetts General Hospital. He was previously Professor of Medicine at the University Of Miami School Of Medicine, Professor of Medicine and Surgery at the Medical College of Georgia, and Visiting Professor at Yale University School of Medicine.
